Instructions: Wired Spiritual Gift Inventory

1. On the next page, you'll find a list of statements describing various spiritual gifts. For each one, circle the number that best reflects your personal experience. Be honest and go with your first instinct—there are no right or wrong answers. Use the following scale:
 - 4 = ALWAYS** – I regularly experience this, and I'm confident it's from the Holy Spirit.
 - 3 = SOMETIMES** – I have experienced this before, and I believe it was the Holy Spirit.
 - 2 = MAYBE?** – I've experienced something like this, but I'm unsure if it was the Spirit or just natural talent.
 - 1 = DESIRED** – I haven't experienced this yet, but I deeply desire to.
 - 0 = NOPE** – I've never experienced this and don't have a strong desire to.
2. Once you've completed all the statements, turn to the scoring grid on page 195. Add up each column to find your total score for each letter.
